

Emily Portman Trio Tec Spec

FOH

PA should be in good condition, full range, and adequate for venue.

It should include:

Good quality mixing desk.

EQ on all monitor sends and FOH.

3 separate monitor mixes.

Good quality reverb unit.

Compression on Vocal Channels.

All leads, wiring etc.

Stands and leads

3 chairs (Rachel sits throughout whilst Emily and Lucy stand to perform.)

Water on stage.

Microphones:

Three high quality vocal microphones. Ideally Neumann KMS105 or Shure Beta 87a.

List of Players:

Emily Portman: central. Vocal mic. 1 mic for concertina, 1 for Banjo and Ukulele. If at a smaller venue with good acoustics, one instrumental mic can work for all instruments.

Rachel Newton: stage left, seated. Harp, vocals and fiddle.

Lucy Farrell: Stage right. Voice, viola and saw.

Thanks!
