Technical Rider - Rheingans Sisters 2024-25

This document has been created to aid the advancing process of Rheingans Sisters' show alongside existing contracts. Please make sure all details within this rider are confirmed with us before the show.

Please provide the following information to Chris on the email above as soon as possible:

- Contact list (advancing, production, venue/festival, artist liaison)
- Show day timings
- Venue/stage and technical spec documents with drawings/dimensions

Please provide a professional standard FOH PA system (subs and tops), good quality mic stands, and all XLR cables as required.

For audio control, we are touring an Allen & Heath SQ5 mixing desk, Allen & Heath AR2412 digital stagebox, and a 70m Cat5e reel. Please provide a space of 2m x 1m with 4 x 13A power sockets and a small table at the FOH position, in the middle of the main audience area. Please advise if the distance from FOH to stage is greater than 70m.

We are not touring any lighting control or LX personnel. Please provide professional standard stage lighting, with 3 x generics as face light for Rowan and Anna and a guest musician on stage.

PERSONNEL

Rheingans Sisters

Rowan Rheingans (she/her) - vocals, fiddle, viola, banjo, electric guitar, laptop
Anna Rheingans (she/her) - vocals, fiddle, flabuta, tuntun, banjo, percussion

FOH & Monitor Engineer

FOH engineer: Christian Finn (he/him) - info@christianfinnsound.com / 07966 178 808
